“Il colore è un mezzo per esercitare un influsso diretto sull’Anima. Il colore è il tasto. L’occhio è il martelletto. L’Anima è un pianoforte con molte corde. L’artista è la mano che con questo o quel tasto porta l’anima a vibrare.”

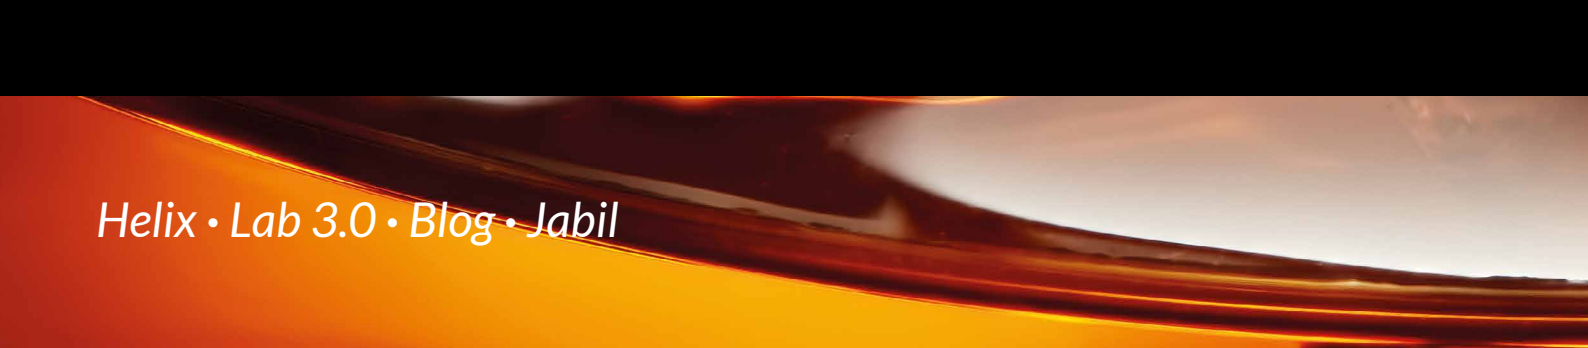

da *‘Lo spirituale nell’arte’*, 1912

Vasilij Kandinskij

“Color is the keyboard, the eyes are the harmonies, the soul is the piano with many strings. The artist is the hand that plays, touching one key or another, to cause vibrations in the soul.”

from *‘Concerning the Spiritual in Art’*, 1912

The background is a complex, abstract composition of numerous overlapping, translucent, polygonal shapes. The colors are primarily muted teal, earthy brown, and warm yellow, with some darker, almost black, areas where the shapes overlap. The shapes vary in opacity, creating a sense of depth and layering. The overall effect is a dense, textured collage that resembles a modern, digital artwork or a sophisticated pattern design.

A close-up, macro photograph of several interlocking brass gears. The gears are made of a golden-brown metal, likely brass, and show signs of wear and age. The teeth of the gears are sharp and well-defined. The background is blurred, focusing attention on the intricate mechanical details of the gears.

Termini di garanzia

Tutti i prodotti presenti in questo catalogo sono garantiti per 2 anni.

Per poter usufruire della garanzia, raccomandiamo di conservare lo scontrino, o altra prova attestante la data di acquisto e di allegarlo al tagliando di garanzia.

La garanzia si limita alla sostituzione gratuita di quelle parti che, per difetti di fabbricazione determinassero irregolare funzionamento, sempre che ciò non dipenda da incuria, negligenza d'uso, errata manutenzione, irregolare installazione, interventi di persone non qualificate o da cause di forza maggiore. Il mancato rispetto di tali condizioni provoca l'immediata decadenza della garanzia stessa.

I materiali difettosi dovranno essere resi, unitamente al tagliando di garanzia e copia dello scontrino d'acquisto e prova dell'avvenuta pulizia dell'impianto e delle tubazioni prima dell'installazione della rubinetteria. Gli stessi saranno resi franco destino.

La presente garanzia esclude qualsiasi nostra responsabilità, per tutte le conseguenze derivanti da un improprio impiego o installazione dei nostri materiali.

Esclusione della garanzia convenzionale e del diritto di regresso/rivalsa

La garanzia convenzionale non si applica sui prodotti rivenduti. Per l'ipotesi di prodotti rivenduti a terze parti, quindi, troverà applicazione unicamente la garanzia legale tra WTS S.p.A e il primo acquirente.

Avvertenze per la cura del prodotto

Vi consigliamo di asciugare sempre il rubinetto con un panno morbido o una pelle di daino al fine di impedire la formazione di depositi di calcare. La pulizia va fatta utilizzando un sapone liquido diluito in acqua.

Decalcificazione - I depositi di calcare e di sporco nei filtri degli aeratori possono essere rimossi smontando l'aeratore ed immergendolo in aceto diluito. Lasciare in ammollo per qualche ora, lavare con acqua e sapone quindi risciacquare.

Ricambi - Si raccomanda di utilizzare esclusivamente ricambi originali WTS S.p.A disponibili presso i rivenditori autorizzati.

Attenzione !

L'impiego di prodotti non consigliati può deteriorare irrimediabilmente le superfici dei rubinetti. L'azienda si riserva in qualunque momento di apportare senza preavviso modifiche a prodotti e accessori.

Note

WTS S.p.A si riserva in qualunque momento di modificare e/o sopprimere gli articoli del presente catalogo. Dati, misure o schemi su questo catalogo hanno solamente carattere informativo e non sono vincolanti. Questo catalogo annulla e sostituisce i precedenti.

// *Warranty terms*

All the products in this catalogue are guaranteed for 2 years.

In order to benefit the foreseen guarantee, we recommend you to keep the receipt or a document showing the purchase date.

Provided that the complain does not depends on incorrect maintenance, irregular installation or action of unauthorized person, the warranty consists in the substitution (free of charge) of the defected components that affected the correct use of the product.

A lack of compliance with these requirements lead to the immediate lifting of the warranty. The defected items must be returned to WTS S.p.A, together with copy of the purchase receipt and a proof of the cleaning of the hydraulic system and plumbing before the installation.

The damaged items agreed with WTS S.p.A. will be returned to our company at our charges. The current warranty excludes our liability for any lack of conformity arising from an incorrect use or installation of our products.

Disclaimer of warranty and right of withdrawal/ recourse

The warranty is not applied on the re-sold items. In case of products re-sold to parties, only the legal warranty between WTS S.p.A and the first independent buyer will be applied.

Appropriate warning on products mantainance

We suggest you to always carefully dry the faucets with a soft cloth or a deerskin in order to prevent lime deposit.

For the cleaning it is recommended to use a soft liquid soap diluted in warm water.

Descaling - lime and dirt deposits in the filters can be easily removed by dismantling the aerators and immerse them in diluted vinegar. Leave the aerator to soak for few hours, wash with soap and water and then rinse.

Spare parts - we recommend you to use only original WTS S.p.A spare parts available at authorized dealers.

Attention !

The usage of products not-recommended products can irretrievably damaged the faucets. The manufacturer reserves the right to introduce updates or modification to its products at any time without notice.

Note

WTS S.p.A reserves the right to modify or cancel some products of the current catalogue at any time. Data, details, measure and schemes on this catalogue are only for informational purposes and are not binding.

This catalogue cancels and substitutes the previous ones.
